† In accordance to DotAsia Board Elections Procedure (BGC-004) section 2.1, Members must reply to both the Secretariat and the third-party Administrator to confirm or update the Voter Name and voting email address to be used. This confirmation must be received before the commencement of the Nomination Period.

If the Member does not confirm or update the Voter Name and the voting email address prior to the opening of the Nomination Period, they will not receive a nomination form or ballot paper, and may not nominate, second or vote in the election.
